Creative suggestions for customized one of a kind decorations. Concepts for home and office

Mijn naam is Rob walters.

Ik ontwerp en projecteer mijn ideeën met de modernste gereedschappen, maar pas als duidelijk is dat U, de opdrachtgever, en ik elkaar inhoudelijk verstaan hebben. Het doel, de bronnen, de weg naar het eindproduct en de ontwerpen geduid en gevisualiseerd zijn.

Mijn kracht ligt in het vertalen van plannen en ideeën naar effectieve en spannende composities; lay-outs die op maat gemaakt zijn en uniek, one-of-a-kind zijn.

Dit boek staat boordevol ideeën en bewerkingen.

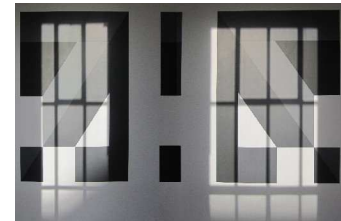

Bronnen combineren met hedendaagse inzichten en producten uit de wereld van kunst en design is voor mij vanzelfsprekend.

Matisse, Rem Koolhaas, Hella Jongerius, Picasso, Marc Wanders schitterende aanjagers.

Geniet, maar ervaar het boek vooral als een garantie dat wat uw beeldende inbreng ook is, ik er een harmonieus geheel van maak.
